

Use the information below to help you calculate your school's energy consumption.

Appliance	Energy consumption (kWh)
LED light	0.006
Fluorescent light	0.043
Projector	0.21
Interactive board	0.159
Laptop	0.05
Kettle	3
Fridge	0.2
Dishwasher	1.8
Microwave	0.9

Complete the table to calculate your school's energy consumption.

Appliance	Number of appliances	How many hours is it on for?	Total energy consumed in a day
LED light			
Fluorescent light			
Projector			
Interactive board			
Laptop			
Kettle			
Fridge			
Dishwasher			
Microwave			

Grand total: _____
