

Mission Assignment: Explore how we can spend our money to help climate change

Code: COP26_03_01

What can you do as a school or individually to support COP26?
Think about the different types of finance and how you can contribute your time or the actions you can take.
Draw up an action plan which sets out your implementation plan for COP26.

Action plan name	
How will you fund it (public or private finance)?	
Actions to be taken	

Mission Assignment: Explore how we can spend our money to help climate change

Code: COP26_03_01

Challenge Task: Write a letter to a politician or climate activist and promote your school or community in order to help finance better eco-friendly systems.

This could be more frequent buses, clean air zones or to plant more trees.

You could write about one of the actions from your plan, using it in support of COP26.

Dear,
